"My life was unmanageable due to substance abuse. I was sick and tired of being sick and tired. Treatment in California helped me to rebuild my life, connect with family & friends and live life a little bit easier. I started working with Rowen & Schuster about 8 months ago. They have not only helped my life but opened up opportunity to meet people and excel in creating a future for myself.

who are experiencing similar crisis through case management, alternative sentencing, substance abuse treatment, life coaching, health insurance assistance and career coaching/job training.

Our Services

CASE MANAGEMENT

We assist you from the beginning of your court case and/or through the continuum of your treatment, utilizing your skill set to find a job and career development. The complete process will continue for up to 1 year – until you are ready to continue on your own.

TREATMENT ALTERNATIVES

Our state-of-the-art treatment facilities offer a continuum of care from detoxification services for alcohol and drug addiction to inpatient/outpatient options. Aftercare placement can provide a seamless transition to lower levels of care and greater personal responsibility.

ALTERNATIVE SENTENCING

As Treatment Advocates we can assist your legal counsel in finding alternative sentencing options.

CAREER COACHING/JOB TRAINING

We assist you in finding Job Training to help further your career development.

Career Coaching allows you to find new inspiration in evaluating your current skill set and how you can direct it towards your life's purpose.

INSURANCE ASSISTANCE

We can assist you with finding the best health insurance to meet your treatment needs. If you already have health insurance we can locate appropriate treatment facilities. We work with most forms of health insurance. Scholarships may be available based upon financial need.

LIFE COACHING

Discovering your life's purpose can lead to greater fulfillment. We can help guide you.

A MESSAGE ABOUT THE FOUNDER

"I am passionate about helping people whose lives can be derailed because of ONE POOR CHOICE."

Tina Marie Rowden, Founder, with 20 years of experience in healthcare business development. Her desire to assist "a friend in crisis" due to incarceration became a passion to assist others in a similar crisis. Rowen & Schuster, Legal Advocacy and Life Coaching became the mechanism to provide hope for the future.
